Company Introduction

“Transforming Interior Excellence”

Sammour Group specializes in turnkey solutions for premium interior fit outs, furnishing and furniture.

Our commitment is to enhance interiors through design, fabrication, and fitting services.

Passionate about creating inspiring spaces for leading corporate businesses, we offer contemporary and customized fit-out solutions for various industries, including corporate offices, restaurants, retail outlets, high-end villas, and palaces.

As a local source for “**Design & Build**” we provide specialized implementation, ensuring projects are completed with a focus on time, quality, and customer satisfaction.

With an innovative product range and the highest quality standards, we aim to deliver interior design and furnishings that meet international standards.

What We Do as Scope of Works

1. Site Assessment and Analysis:

Evaluate the client's space and understand their requirements.

Analyze architectural plans and existing conditions.

2. Design Development:

Collaborate with the client to develop a design concept.

Create detailed interior design plans, including layouts and material specifications.

3. Permitting and Approvals:

- Obtain necessary permits and approvals from relevant authorities.

4. Project Management:

- Develop a project schedule and budget.
- Coordinate and manage own manpower, affiliated subcontractors and suppliers.
- Oversee the entire execution of fit outs process.

5. Site Mobilization and Preparation:

Mobilize the Engineers and Manpower on site.

Clear and prepare the space for Fit outs.

6. Mechanical, Electrical, and Plumbing (MEP) Work:

Install new or modify existing HVAC, electrical, and plumbing systems.

7. Partitioning and Ceiling Installation:

Install partitions and ceilings according to the design.

8. Flooring and Wall Finishes:

Lay flooring materials and apply wall finishes as specified in the design.

9. Wooden Doors, Cabinetry and Joinery:

Fabricate and install wooden doors, custom cabinetry, wardrobes, kitchen and joinery.

10. Lighting Installation:

Set up and install lighting fixtures.

11. Audio-Visual and IT Integration:

Integrate audio-visual and IT systems if required.

12. Furniture Installation:

Install furniture and fixtures as per the design.

13. Final Touches:

Complete any remaining interior details.

Conduct a thorough inspection for quality assurance.

14. Handover and Client Training:

Hand over the completed space to the client.

Provide any necessary training on equipment or systems.

15. Post-Occupancy Support:

Offer ongoing support and maintenance services if specified in the contract.

CEO's Message

“Transforming Interior Excellence” at Sammour Group

“As we commemorate a remarkable 30 years of shaping extraordinary interiors, I am deeply honored to express my sincere gratitude for the enduring support and trust of all our clients in Sammour Group.

Throughout these three decades, our journey has been a testament to the transformative power of design, and I am immensely proud of the milestones we've achieved.

Our mission remains to craft spaces that blend aesthetics and functionality, setting new industry standards.

Let's create unforgettable spaces together.”

Best regards,

Gilbert Sammour

CEO, Sammour Group

Our Philosophy, Mission, Vision and Core Values

Our philosophy:

"At Sammour Group, we craft functional works of art, blending innovation and practicality. Our commitment to precision and creativity ensures each project reflects the unique identity of its occupants."

Our mission:

"At Sammour Group, our mission is to passionately craft inspiring interiors that seamlessly blend artistry and functionality, exceeding client expectations. We strive for innovation, uphold transparency, and prioritize sustainability in every project."

Our Vision:

"At Sammour Group, we aim to redefine interior excellence, crafting spaces that seamlessly blend aesthetics and functionality. Our commitment to precision, creativity, and client satisfaction positions us as industry leaders."

Our core values:

Excellence: Top-tier craftsmanship, exceeding expectations.

Innovation: Creativity, cutting-edge solutions.

Collaboration: Teamwork, diverse talents for brilliance.

Integrity: Ethical standards, transparency.

Client-Centric Approach: Placing clients first, exceeding expectations.

Sustainability: Integrating sustainable practices.

Adaptability: Embracing change, staying agile.

Integrated Management System (IMS) Policy

At Sammour Group, we are committed to achieving excellence in quality, environmental responsibility, and occupational health and safety through our Integrated Management System (IMS).

Quality Policy:

- Customer Focus: Committed to meeting client needs and ensuring satisfaction.
- Continuous Improvement: Striving for ongoing process, service, and product improvement.
- Compliance: Adhering to quality standards, legal requirements, and best practices.

Environmental Policy:

- Sustainable Practices: Minimizing environmental impact in design, construction, and waste management.
- Compliance: Adhering to environmental laws and regulations, promoting eco-friendly initiatives.
- Resource Efficiency: Promoting efficient use of energy, water, and materials.

Occupational Health and Safety (OHS) Policy:

- Employee Well-being: Prioritizing a safe and healthy working environment.
- Training and Awareness: Investing in employee training for safe practices.
- Compliance: Adhering to OHS regulations and standards to prevent accidents.

IMS Commitment:

- Leadership Involvement: Leadership actively supports IMS with resources and guidance.
- Communication: Fostering open communication for employee awareness and alignment.
- Monitoring and Measurement: Regularly monitoring and evaluating IMS performance for improvement.

This concise IMS Policy is communicated to all stakeholders, emphasizing our commitment to quality, sustainability, and safety.
